Subject: [External] Recent letter from Blue Granite

Today I received a notification from BlueGranite regarding their rate increase to begin in September . According to the information I received my sewer rate increase is \$88.01.

The last articles I read in April and May said that the new rate approved would be \$80.93 for just sewer service. And that Blue Granite was to credit customers 10.59 For over taxation.

I am concerned that Blue granite is not abiding by the decision if the info I got in mail today is their new price.

I feel that the PSC needs to be aware of what information they are sending their customers.

Please check into this matter as this company has not proved to be very reliable.
